

**Stay safe during construction**

# WeGo Link | South Nashville

**WeGo Link** is a partnership with Uber that can get riders to and from select stops on select routes. Construction projects can make it even more difficult to get to your stop safely. To help with this during the construction on Nolensville Road, **WeGo Link** rides are free in the South Nashville Zone until further notice.

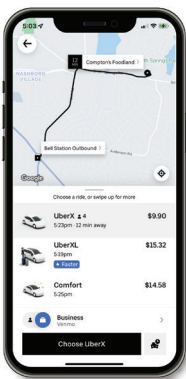

## South Nashville Zone

*Uber pick up or drop off is available at these stops only:*
